Sir,

Subject Tarring the Workshop road and Balrajaurs Road, Shimoga

***

Adverting to Government Order No I 170624/F1 9-47-65 dated 21-5-48 sanctioning an expenditure of Rs 6,458/- for the above work, I write to state that this is an important road in the Town where there is very heavy vehicular traffic With a view to avoid frequent and heavy expenditure on this road, the Municipal Council proposed last year to tar the road at an estimated cost of Rs 40,000/- The first stage of the work viz formation of the road surface was taken up and completed last year Further work viz the second stage has to be completed during the current year as other-wise the work will have to be started from the beginning which means a very heavy expenditure to the Municipality

The Municipal Council at their special general meeting held on 4-12-48 considered the subject and resolved that sanction of Government amy be obtained to the estimate This work has been included in the budget estimates of the Municipality for the current year

I request you therefore kindly to obtain sanction of Government to the estimate at an early date

A copy of the resolution of the Municipal Council together with scrutinized estimate and a copy of the C & C is herein enclosed for reference

Yours faithfully,
K Venkatappa
President
